

FOR IMMEDIATE RELEASE

June 23, 2015

We are pleased to announce the addition of the PrecariCorps blog to our website. As a part of our efforts to create and distribute educational media on the pervasive crisis in higher education, in addition to providing financial and professional support to adjunct faculty, the **PrecariBlog** will allow us to share personal posts and messages with the activist community. In our first series, Managing Director Brianne Bolin catalogs the process of applying for unemployment over the summer: [Filing Unemployment for #AdjunctSummer](#).

Along with PrecariCorps [True Stories](#), which features 300-500 word accounts from the adjuncts who've lived them, the PrecariBlog highlights the experiences of adjuncts, sharing solidarity and information pertinent to life in the precariat.

For more about [PrecariCorps](#), [who we are](#) and [what we do](#), feel free to visit our website: [PrecariCorps.org](#).

For all media inquiries or other information, please contact Communications Director Joseph Fruscione: joe@precaricorps.org.
